

# Basics of PowerPoint

A flock of white birds, possibly egrets or herons, is captured in flight against a soft, grey sky. The birds are shown from various angles, with their long necks and sharp beaks clearly visible. Their wings are spread wide, showing the intricate patterns of their feathers. The overall mood is serene and natural.

# Objectives

- Create presentations from scratch/ template
- Add new slide and change slide layout and design
- Add text, images, art, and videos
